### *Our Friends*

*They brightened our pathway  
Like flowers along the road.  
They lit up our surroundings  
Like a candle as it glowed.*

*First, they were our acquaintance,  
Then they became our friend,  
As we laughed, talked, and bowled together  
Like leaves rustling in the wind.*

*We no longer hear their laughter,  
No longer see their smile,  
And they'r not here to walk beside us  
As we travel another mile.*

*Their ball once rolled down the alley  
Picking up a strike or spare.  
Now it's retired to a lonely shelf,  
Idly sitting there.*

*They no longer approach the alley,  
They are walking on a higher plane.  
But precious memories came flooding back,  
Each time we hear their name.*
